

QUALITY FIRST

Low Country Aerospace ensures every product is held to the highest quality standards to ensure our customers receive their products free from defect and always meeting their needs.

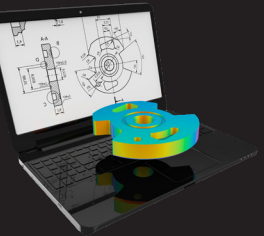

EXTENSIVE CAPABILITIES

Our Savannah facility houses the ultimate in machining technologies including 3D model scanning, mills, lathes, routers, 3D printers, waterjet cutting, welding, laser marking, and much more!

CAD DESIGN

CAD design is essential for the creation, development, and optimization of any category of component. These capabilities position us as a trusted and reliable partner in the ever-evolving field of aerospace and all other like-industries.

PART CUSTOMIZATION

Your parts will be cataloged for easy revision in the event the application changes, or you simply improve upon your design. Our experienced staff will work with you to optimize your part's function.

PERFECT FINAL RESULT

Upon delivery you'll find a beautiful part made to your specification within the necessary tolerances. We invite you to put our capabilities to the test! Contact us today for the very best in custom fabrication!

INDUSTRIAL HOSE & FITTINGS

Chemical - Petroleum - Air & Water - Steam
Concrete & Material - Suction & Discharge
Camlock Fittings & Adapters - Threaded Fittings
Pinlug Style - Ground Joint - Quick Connect
Brass - Aluminum - Stainless & More

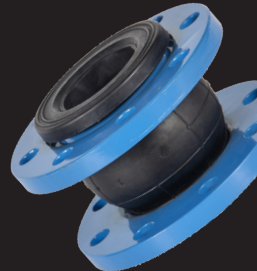

GASKETS & GASKET MATERIALS

Compressed Sheet - Graphite - PTFE
Carbon Fiber - Sheet Rubber - Hi Temp
Flange Gaskets - Spiral Wound - Heat Exchanger
Cammprofile - O-Rings & Seals - Sponge Rubber
Fiberglass - Custom Gasket Cutting & More

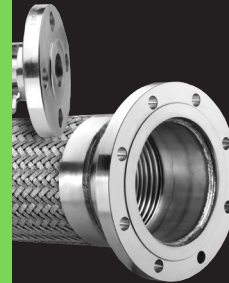

EXPANSION JOINTS

Rubber - Single, Double, Triple Sphere - PTFE
Fabric - Metal - Rectangular - Sleeve Arch
Ducting Joints - Fan Connectors - Pump Connectors
Reducer Expansion Joints - Slip-on Joints
Flanged Joints - Insulated Joints - Specialty & More

METAL HOSE

Stainless Steel - Carbon Steel - Bronze
Monel - Hastelloy - Inconel - Annular - Compressed
Helical - Anti-Corrosion - PTFE-Lined Hose
Pump Connectors - Metal Expansion Joints
Extreme Pressure & Severe Service & More

INDUSTRIAL SUPPLY

Industrial Plastics Fabrication - Spill Containment
Pipe, Fittings, & Valves - Matting - Braided Packing
Adhesives & Sealants - Custom Parts - Urethanes
Safety & Protective - Power Transmission & Belting
Fire Hose & Accessories - And Much More
